FIVE ELEMENT ACUPUNCTURE							
INTERNAL DRAGONS: Master point below CV-15, ST-25 (5E location), ST-32, ST-41.							
EXTERNAL DRAGONS: GV-20, BL-11, BL-23, BL-61 (5E location).							
TREATMENT PRIORITIES:	HUSBAND-WIFE IMBALANCE:	AKABANE (LUO) BLOCK:	KOREAN FOUR-NEEDLE TECHNIQUE				
1. Possession 2. Aggressive Energy (never fail to clear) 3. Husband-Wife Imbalance (never fail to clear) 4. Entry-Exit Block (CV/GV block has priority) 5. Spirit Level 'Blocks' - K-24, Ht-1, CV-1, etc. 6. Uncentered Umbilical Pulse 7. Akabane Block 8. Engage the level: CF for Mother / Child, Back-Shu/K chest points, Windows, GV/CV points, HT-1... 9. Energy Transfers 10. CF meridian points below the elbow/knee (these can 'engage the level' too)	Stage 1: K-7, BL-67, K-3, LV-4, HT-7, SI-4. Next stages only as necessary. Stage 2: Four Needle Tonify one or both Water Officials. Try K first (usually this will do it). Stage 3: Sedate the Source points of the wife Officials, then try the transfers again. Stage 4: Sedate the Shu's of Wife Officials. When they have begun to relax (after 7-10 min), tonify the Shu's of the Husband Officials. (Moxa is OK). Stage 5: Four Needle Sedate Metal, Earth, SJ/PC, then try the transfers again. Four Needle Tonify Wood, HT/SI.	Stage 1: Tonify the junction point on the deficient side. Only as necessary continue to the next stages Stage 2: Tonify the source point on the deficient side. Stage 3: Redo (tonify) the junction point on the deficient side. Stage 4: Tonify the AEP of the official on the deficient side. Stage 5: Sedate the junction point on the excess side. While this point is draining, tonify the junction point on the deficient side again. Stage 6: Sedate the AEP on the excess side. While this point is draining, tonify the AEP of the deficient side again. * Also consider scars	TONIFICATION		REDUCTION
